25X1 1. [] Jim Hyde, Bureau of the Budget, called in connection with our proposed report on S. J. Res. 61, to establish a Joint Committee on Intelligence. He indicated one desirable change from their viewpoint and inquired our views. I indicated this sounded all right to me but would he please send it over to us and I would try to get it through on the basis of the change.

25X1 2. [] Talked with William Gorden on our appropriations for 1964. See Memorandum for the Record for details. ✓

25X1 3. [] Advised Francis Hewitt that Senator Russell had requested that Gorden be filled in on the Agency budget for 1964 and that we had done so. Hewitt was appreciative of knowing this. ✓

85X1 4. [] Talked with Fred Burke, in the office of Senator Philip A. Hart, to advise that at this time we had no interest in a referral from Senator Hart of Sante [] Burke was appreciative of our looking at this and thanked me for advising him. STAT

STAT 5. [] Mr. Hugh Weil, CA Staff, called and asked if we had any information regarding the composition of the U. S. delegation to the IPU meeting on 12 September in Belgrade. I told him I did not but I would be happy to check on this and see if congressional delegates have been named.
